TG-LS-039 / Product Parameter Summary

220V 13.5mm RGB LED Strip

Product overview

LED strip lights

Reviewed catalog statements for this product. Independent test evidence has not been verified for this summary. This is not a complete technical datasheet or installation guide.

DEVELOPMENT PREVIEW

Listed parameters

Supply voltage	**220 V**
Strip width	**13.5 mm**
Power	**12 W (measurement basis unspecified)**
Luminous flux	**Not specified**
Color rendering	**Not specified**
Cutting interval	**100 cm/cut**
Color wording	**RGB**

Specification notes

- Power measurement basis is unspecified; this value must not be interpreted as per metre.
- Luminous flux and color rendering are not specified.
- The cutting interval is stated in cm/cut; it does not establish an LED count or density.
- The source uses '/' for these unspecified entries; it is not zero or a statement of inapplicability.
- RGB is retained as literal color wording; no numeric color temperature, white option, channel count, controller, addressability, compatibility or variants are established.
- Supply voltage alone does not establish AC/DC type, direct mains connection, required drivers/accessories or installation suitability.
- LED density, IP rating, certification, lifetime, warranty and availability are not established by this record.
