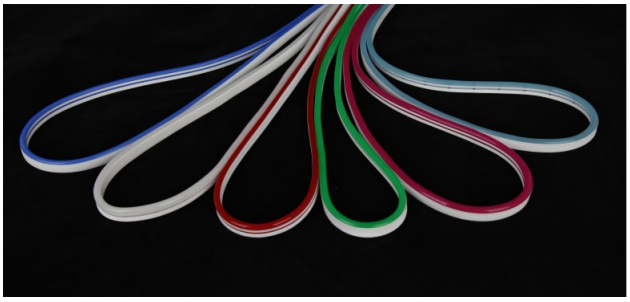
TG-LS-046 / Product Parameter Summary

Flexible Light Strip



Product overview

LED strip lights

Reviewed catalog statements for this product. Independent test evidence has not been verified for this summary. This is not a complete technical datasheet or installation guide.

DEVELOPMENT PREVIEW

Listed parameters

Supply voltage	**HV/LV**
Dimensions	**Not specified**
Power	**8 W (measurement basis unspecified)**
Luminous flux	**270 lm (measurement basis unspecified)**
Color rendering	**Ra≥70/80**
Cutting interval	**2.5cm/cut Or 5cm/cut Or 100cm/cut**
Color wording	**3000K/4000K/6500K/red/blue/green/pink/gold/lemon/ice blue**

Specification notes

- Power and luminous flux bases are unspecified; do not interpret as per metre or rank efficiency/brightness.
- HV/LV is literal; numeric voltage, AC/DC, direct mains and required accessories are not established.
- Dimensions and bend characteristics are unspecified; unitless model tokens establish no geometry.
- Cutting alternatives are literal and unassigned to configurations; no LED density is established.
- Mixed color wording is literal, not numeric CCT options, channels, controls, compatibility or variants.
- Ra≥70/80 is literal, not a bound, range, assigned alternatives or verified test conditions.
- IP, suitability, uniformity, certification, lifetime, warranty and availability are not established.
