

220V 12mm RGB LED Strip

Product overview

LED strip lights

Reviewed catalog statements for this product. Independent test evidence has not been verified for this summary. This is not a complete technical datasheet or installation guide.

DEVELOPMENT PREVIEW

Listed parameters

Supply voltage	220 V
Strip width	12 mm
Power	10 W (measurement basis unspecified)
Luminous flux	Not specified
Color rendering	Not specified
Cutting interval	100 cm/cut
Color wording	RGB

Specification notes

- Power measurement basis is unspecified; this value must not be interpreted as per metre.
- Luminous flux and color rendering are not specified.
- The cutting interval is stated in cm/cut; it does not establish an LED count or density.
- The source uses '/' for these unspecified entries; it is not zero or a statement of inapplicability.
- RGB is retained as literal color wording; no numeric color temperature, white option, channel count, controller, addressability, compatibility or variants are established.
- Supply voltage alone does not establish AC/DC type, direct mains connection, required drivers/accessories or installation suitability.
- LED density, IP rating, certification, lifetime, warranty and availability are not established by this record.
